The
LAKE
100

WHO WE ARE

Originally formed in 2010 by a small group of involved citizens and business leaders, Lake 100 members commit to, The Lake 100 consists of:

1. Executive officers of a business operating in Lake County
2. An appointed executive from a company conducting significant business within Lake County
3. Individuals who have extensive civic or cultural involvement in Lake County.

Membership is by invitation or board approval only.

MEMBERSHIP

Membership in the Lake 100 is by invitation or board approval.

REQUIREMENTS

One of the following criteria must be met:

1. Be an executive officer of a business operating in Lake County.
2. Be an appointed executive from a company conducting significant business within Lake County.
3. Be an individual with extensive civic or cultural involvement in Lake County.

COMMITMENTS

Members must have the ability to consistently attend our monthly lunch meetings. Nine monthly meetings per year are required. The cost is \$500 annually; this includes payment for your monthly lunches.

OUR COMMITMENT

- » To share knowledge, gaining business insights, and growing personally through members' affiliation with each other
- » To collectively influence Lake County in a positive way
- » To foster cooperation between the public and private sectors of our community by acting as a catalyst for bringing together decision makers within and around the communities of Lake County
- » To promote citizen competence and awareness by effectively participating in community affairs
- » To serve as a resource for the community in researching, organizing and distributing information
- » To assist public agencies and community groups
- » To contribute to the responsible planning and management of growth in the community
